LEAGUE SERVICES FOR NEW BRITAIN

VOTER INFORMATION is provided by the League through published ads in the local media plus public access cable TV broadcasts of candidate debates and other voter education materials.

CANDIDATES FORUMS provide the public with an opportunity to meet and question candidates about issues of concern. League forums are specifically geared to meet the needs of local citizens.

WHO'S WHO is a handy reference tool compiled annually for both new and old residents of New Britain. This pamphlet provides citizens with crucial information about the community and how to become active in it.

VOTER REGISTRATION is an important League service. Every year the League assists in the registration of new voters.

The League also speaks at local public forums and seeks to provide the public with nonpartisan information with which to evaluate issues of importance. Members of the League are available to speak to schools or organizations about our government process.
