# Communicating With Your Elected Officials

Your opinion is important to elected officials and can influence their votes. You can communicate with them by letter, e-mail, telephone, FAX, or a personal visit.

- **Be brief**; discuss only one or two issues.
- **Write to each legislator individually** and use your own words.
- **Identify legislation** by number or title, if possible. If you know the number, author or subject of a bill, a phone call to Hartford, (860) 240-0555, will get you information on bill status in minutes or visit the CT General Assembly website at [www.cga.ct.gov](http://www.cga.ct.gov) and click on Search.
- **Make your communications timely**. Remember, the Connecticut General Assembly is a part-time legislature that begins its sessions early in the year and does not meet in the summer or fall.
- **Influence legislative committees** by testifying at their public hearings on proposed bills.
- **Write notes** of appreciation to your legislators when appropriate. Support them when they adopt a position that you have advocated.
